Listening Work Station

The purpose of the listening workstation is for you to listen to what good reading sounds like. At this center, you will listen to a book on tape or CD. Please make sure you complete this section as you are listening to the book so I know your thoughts. Happy Listening!

Title Author	Characters	Questioning *What questions do I have before, during or after listening?*
Connections *text-to-self, text-to-text or text-to-world*	Visualizing *What pictures can I create in my mind as I listen?*	My favorite part about the book so far is….because…
